Dear Miss Stone, I heard about the basketball team that you are starting. I would like to join the team and I was wondering when try-outs are because I would like to come. I try my best and don't give up on stuff easy, if someone on the team is stressed about losing I like to try and boost their spirit. I think that I would be a good addition to the team and when you get this could you get back to me as soon as possible

Sincerely,
